CRYSTAL GAYLE

Crystal Gayle Selects Mr. & Miss Lancer

On July 27th, the editor of the 1980 Lancer, Allison Morrow, along with the Lancer advisor, Joy Smith traveled to the Carowinds Paladium to meet Crystal Gayle and ask her to select Mr. & Miss Lancer.

She was told to select the winners on the basis of photogenic quality only. After a private viewing, she selected Sharon McBrayer and Ronny Funderburke.

Each candidate should feel honored to have been selected.

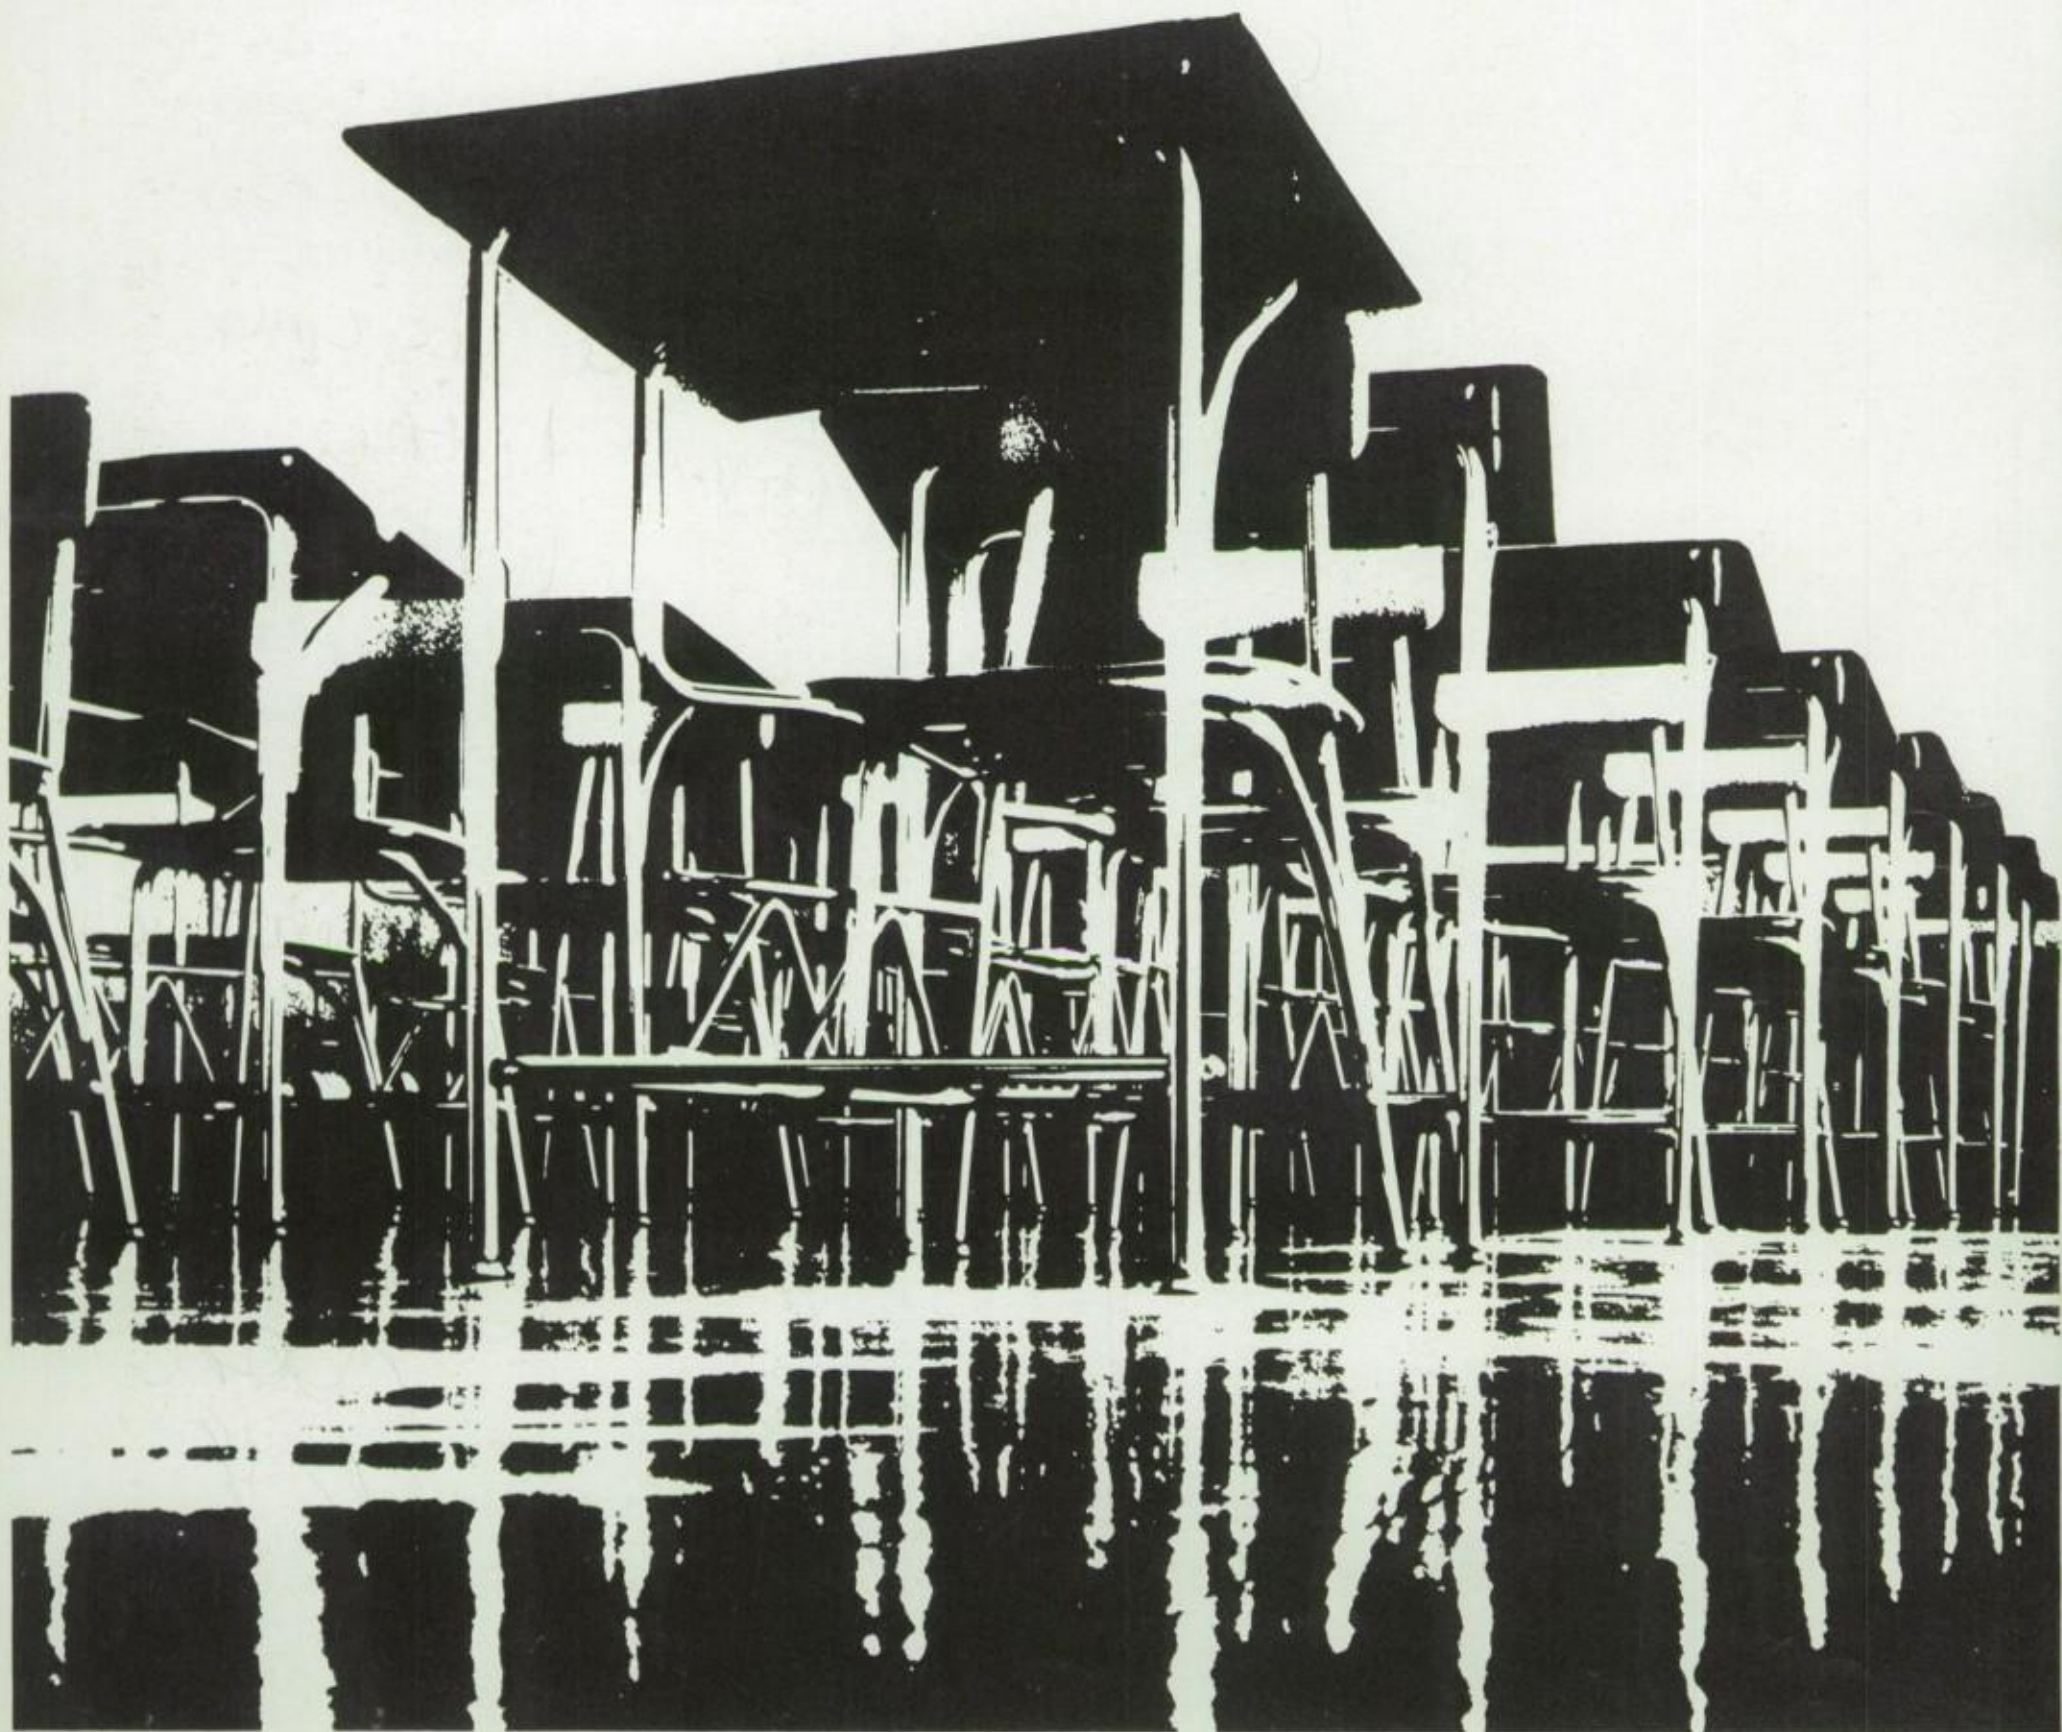

*Nice to see you

Discipline, Leadership, Guidance and compassion are only a few of the adjectives which describe the hard-working members of the office staff. Though the office may appear to be only a small portion of the school, it is in reality the master link in the school's chain. Without this vital link, the school could not function effectively.

I am so glad we got together on October 25, you
have become so much of my life now, I
don't know what I would do without you. I
love you so much. On Halloween I knew we
had something going for us. You looked so
sweet and innocent that night, even though we
was ~~hated~~ aggravated the whole night we've
made it. I finally worked up the courage to
ask you to go with me, and I am so glad I
asked you. That had to be the happiest time of
my life. We were going to stay together forever. I
just know it. I don't know if I should better go now.

Sharon McBrayer Crowned New Homecoming Queen.

**"Cherish Yesterday,
Live For Today And
Dream Of Tomorrow."**

Everyone prayed for the skies to clear, but rainy weather prevailed at Homecoming 1979. There was no rain to ruin the effect of the Homecoming parade, however. Each sponsor and her escort rode in the parade along with floats, clowns, and the Cavalier band. The Student Council sponsored the annual float contest, which was won by the Leo Club for the second year in a row. The Leo float presented the theme "Can the Cats".

Despite rainy weather, Homecoming night arrived as exciting as ever. A new festivity was begun at East, as all the sponsors and their escorts with umbrellas were presented on the field in a pregame show. The national anthem was sung by Marnitta Jackson. The sponsors and escorts then went inside the school to try and wait out the rain, but as halftime and the crowning of a new queen grew near, it was raining as hard as ever. The sponsors and their escorts came back to the stands and the girls who were eligible for the crown along with school princesses and class sponsors and co-sponsors walked around the football field and anxiously awaited the halftime show.

The theme for the 1979 Homecoming was "Cherish yesterday, live for today, and dream for tomorrow". Julie Boudoucies, Student Council sponsor and escorted by Ronnie Cannon, was named first runner-up. Sharon McBrayer, Sportsman Club sponsor escorted by Steve Vance, was named the 1979-1980 Homecoming Queen.

Extra Activities Added To The Homecoming Excitement.

Phillip Byers Takes The Crown As "Mr. Homecoming."

The Mr. Homecoming Contest, which was revived last year, was held again this year. It was sponsored by the Student Council. Thirteen clubs were represented by a Mr. Homecoming Sponsor. The winners were judged by applause. First runner up was Ronnie Funderburke, sponsored by the cheerleaders, and escorted by Debbie Hill. The title of Mr. Homecoming 1979-1980 went to Phillip Byers, Jr. Civitan Sponsor, who was escorted by Lynn Hooper. Phillip was crowned by last year's Mr. Homecoming, Scott Limerick.

In Memoriam

December 31, 1979

It seems that for life to make any sense at all, it must be measured in terms of quality rather than of quantity---in relationships rather than in accomplishments.

How wonderfully true this is of Mary Beth Brown. Certainly, there wasn't very much of her---scarcely enough to drag around that big suitcase she always insisted on taking---never enough of her to swing a load of newspaper without dropping half of it---and never enough of her to lift the hem of a choir robe above the floor.

Yet, half-pint in size, there radiated from her being a spirit bigger than life itself---a spirit enlivened by a daily walk with her Master---A spirit large enough to embrace a host of friends from all age levels.

She always seemed to translate life in terms of personal involvement and unfailing commitment. One would never need all of his fingers to count her annual absences from choir rehearsals, work projects, Bible study, worship services, or school activities.

We shall not too long remember that she excelled in academics, music and everything else she undertook, nor that she always managed to land the "hunks" among the boys, but we shall never forget that she loved us--and all of the life we shared together. Many have lived longer, but so very few have lived fuller.

Here at church, she leaves a dinky little choir robe, a tiny pair of handbell gloves and a magnificent example of Christian service, commitment, dependability and joy in Christ.

Her steps were short and quick, and far too few, but her shadow will never fade, because it was cast by the Eternal Light, Himself.

And so, our lives are infinitely more blessed, and our own call to service more keenly heard because of this small one---this Mary Beth Brown.

The Lord is my shepherd:
I shall not want.

He maketh me to lie down in
green pastures: He leadeth me
beside the still waters.

He restoreth my soul. He leadeth
me in the paths of righteousness
for his name's sake.

Yea, though I walk through the
valley of the shadow of death, I
will fear no evil: for thou art
with me: thy rod and thy staff
they comfort me.

Thou preparest a table before me
in the presence of mine enemies:
thou anointest my head with oil:
my cup runneth over:

Surely goodness and mercy shall
follow me all the days of my life
and I will dwell in the house of
the Lord for ever.

Why Do People Have to Die.

Claude Terry Campbell
Mr. Campbell was born in Hoke County, N.C. He and his wife, Jo Ann, have three children, Lynn, Ann, and Terri Jo. He received his A.B. from High Point College in Business and Psychology and M.A. in Guidance from Western and is now our Guidance Counselor. His hobbies are swimming and fishing.

Guidance

Claude Campbell — 7 years, Guidance Counselor. What is your idea of a perfect weekend? "To be able to look on Monday as my perfect day of the week."

Claude Terry Campbell

"I feel that our young people are blessed with these attributes: (1) Manners in reaching the expectations of the school in general; (2) Excellent character; (3) Willingness to assist the school-community in worthy projects."

Mr. Claude Campbell rendered his services to all the students at East who sought guidance for their careers.

April 12, 1932 - November 17, 1979

"You and I have lost a great friend, Mr. Claude Campbell. A friend who was never too busy to talk to us. For you as a student, Mr. Campbell always wanted you to do your best in your studies. He was always searching for ways to help students because he cared. His special search was for funds so that you could continue your education once you left East High School. He looked high and low for these funds. You don't know how many hours he searched for monies to help you go to school.

For us as a faculty, Mr. Campbell wanted us to do the best job we could do to educate our students. He tried to make our job easier because he cared.

If he could speak to us today, I think that he would have wanted us to turn to the scriptures and memorise John 3:16 "For God, so loved the world that he gave his only begotten son, that whosoever believed in him should not perish, but have everlasting life." He believed in God, and now, although we'll miss him, we know that his reward in heaven is great. Mr. Campbell was like God in John 3:16 in that he CARED."

— Mr. Dan Beason, Nov. 23, 1979

FRESHMAN FOOTBALL

The Freshmen football team, 4-2 under coaches Champion and McElrath, had a really great season this year. They gained valuable experience, which will help them in the next three years.

Although the freshmen got off to a slow start, their perseverance and hard work stood up throughout the season. It was their winning attitude that made their first year a success. We are very proud of their accomplishments.

East vs Molehill

An explosive offense, led by Dennis Wesley's 185-yard performance, ignited a 35-15 thrashing of Molehill.

East quickly got going on their first possession of the game. A four yard TD. Darryl Ledbetter booted the PAT for a 7-0 lead.

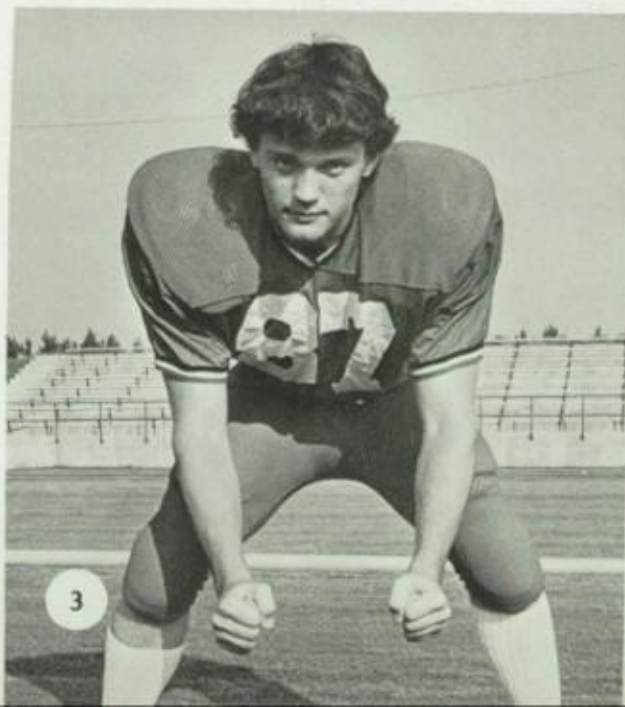

Molehill's first chance was a fluke and they punted to the 40, where another drive was started. Wesley did it again, this time from the Mole 3 for a TD. Ledbetter's PAT made it 14-0.

Central finally got untracked in the second period. Chris Waddell scored the TD with 7:04 left and the PAT cut the lead in half.

But the half wasn't over, and neither was Wesley. He scored his third TD and the Cavs went to the locker-room leading 21-7.

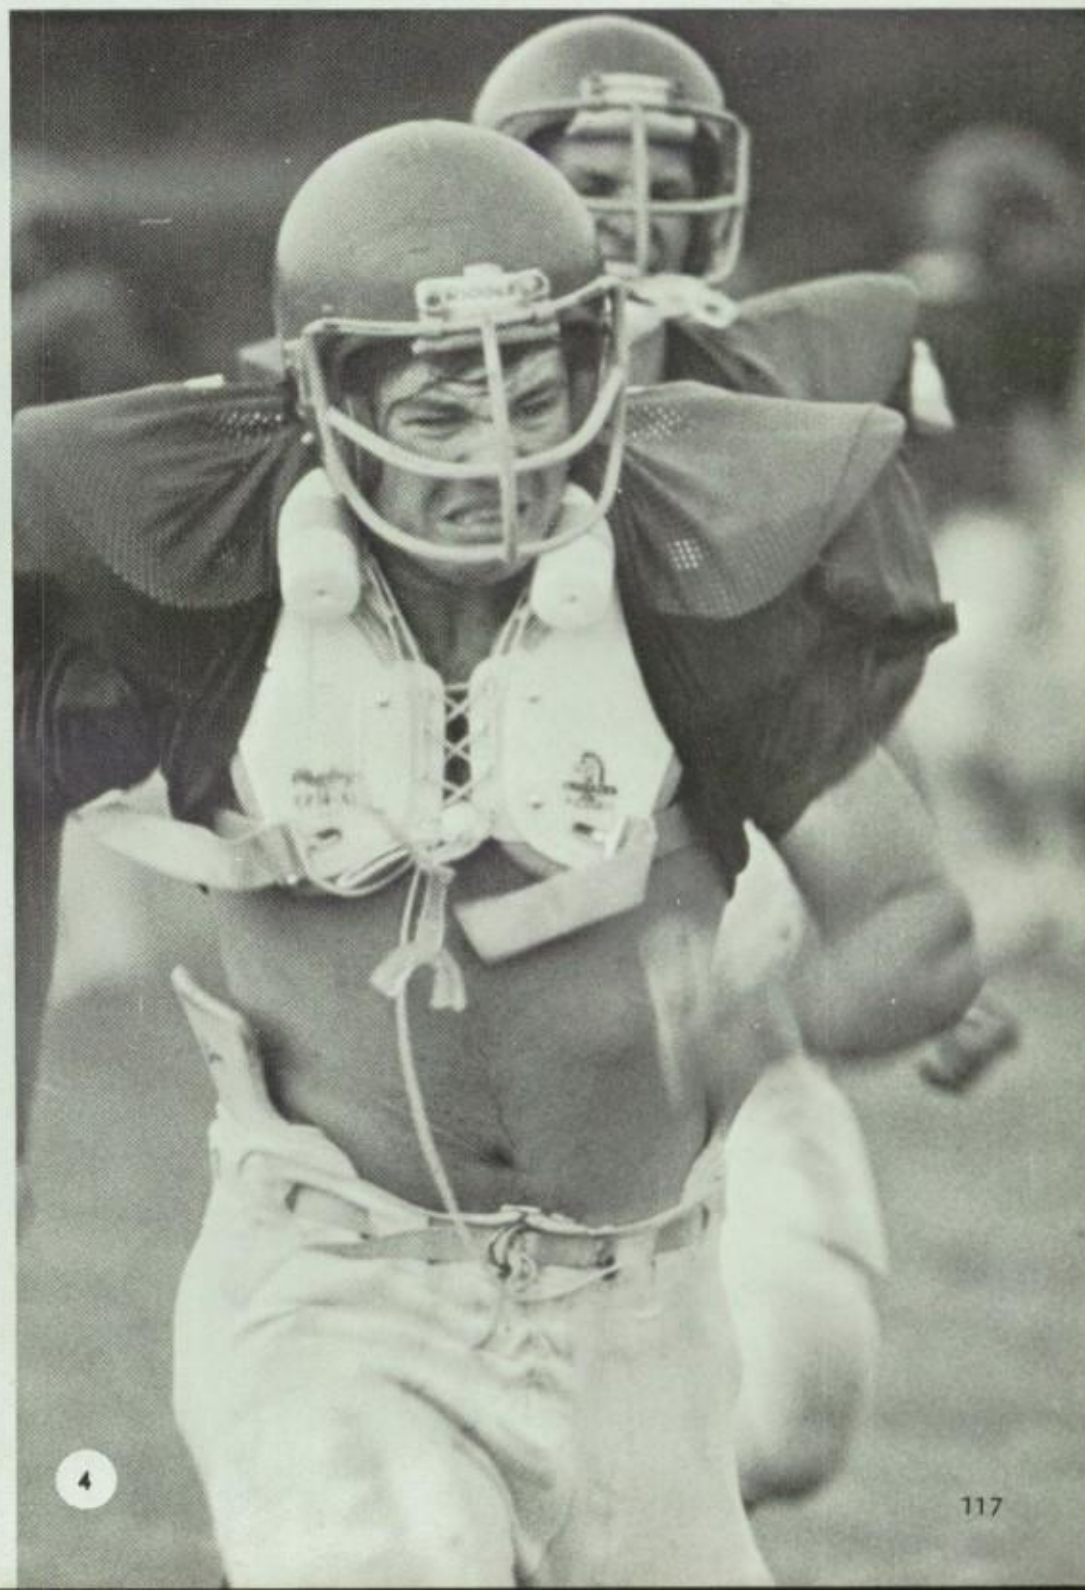

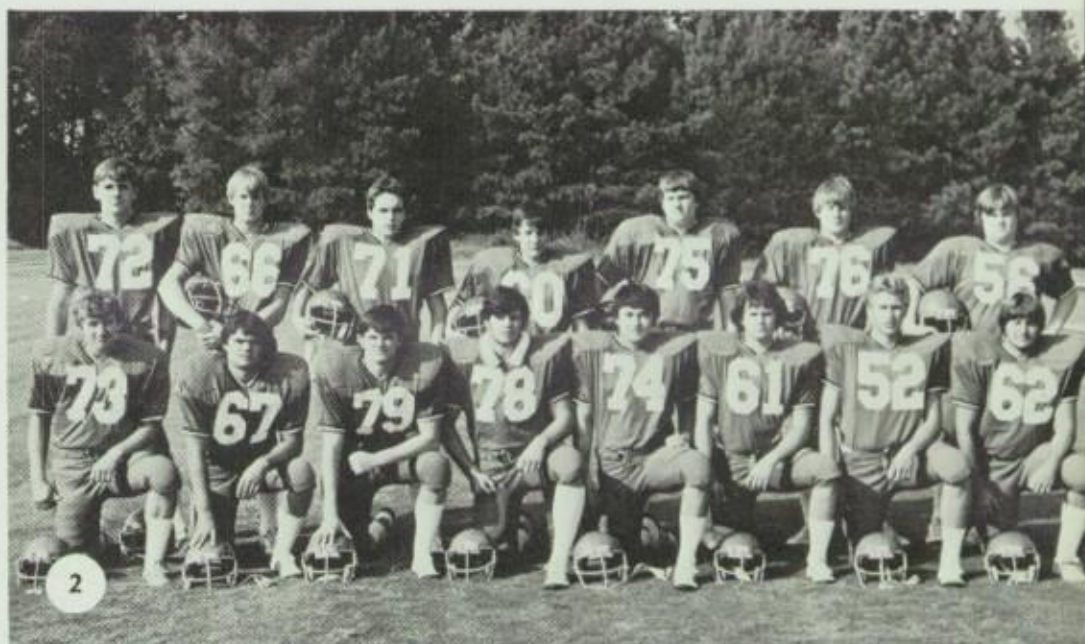

The third quarter was boring, but the fourth brought renewed excitement. Heyward Ross scored to open the period, and East led 28-7.

The Molehill partisan, feeling like their good guys had been whipped, began to leave. Suddenly Waddell broke for a 60 yard TD run. After this, the score was 28-15. But Chuck Surratt's 35 yard sprint for a TD ended all comeback hopes. Ledbetter's PAT was good, and the scoring ended at 35-15.

East vs Crest

The Big Red gained their second shutout of the season when they turned back the Crest Chargers 7-0. Defense was the key as the Cavs allowed only 44 yards total offense.

After a scoreless first half the Big Red got untracked. A 9-play 64-yard drive ended in a 1-yard TD run by Wesley. Darryl Ledbetter kicked the PAT which accounted for all the night's scoring.

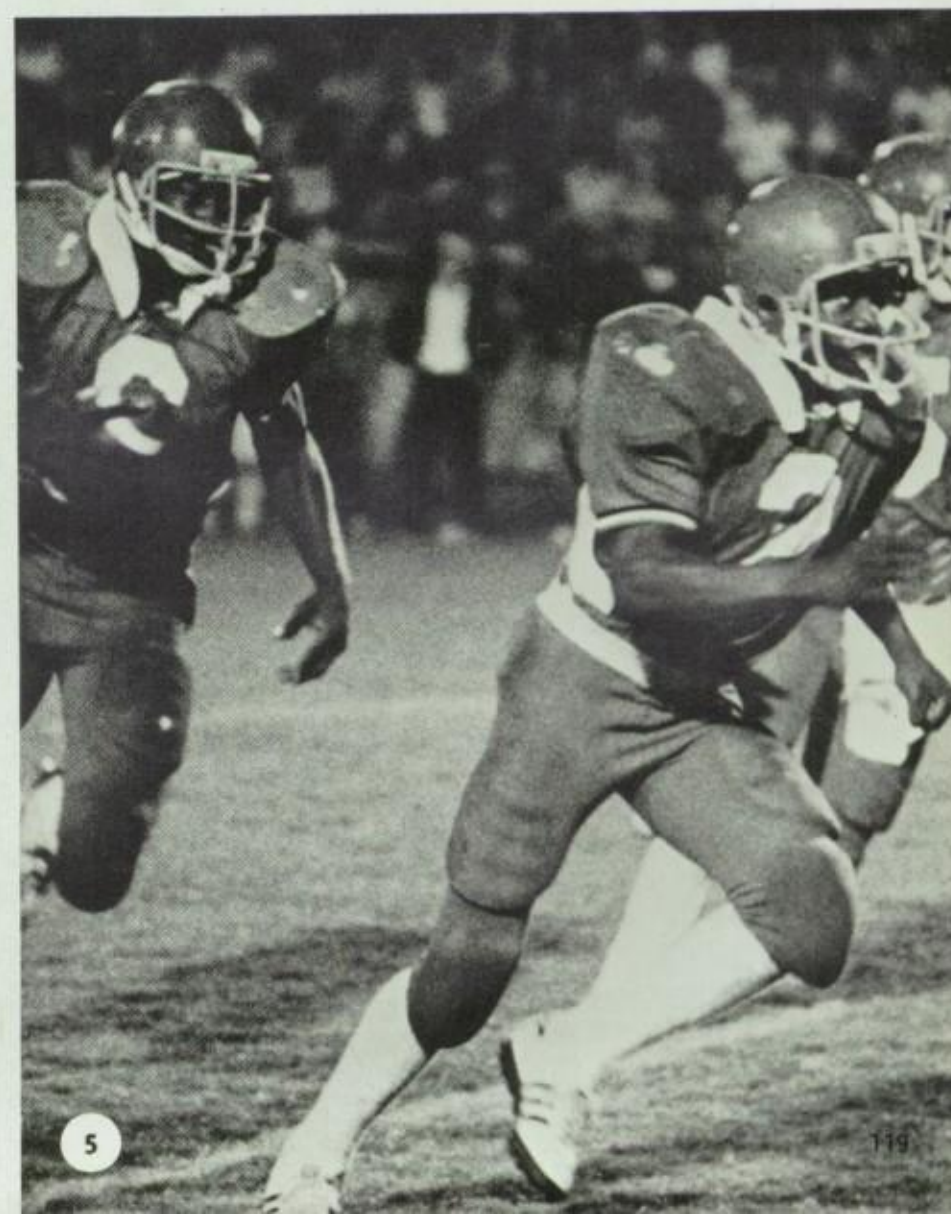

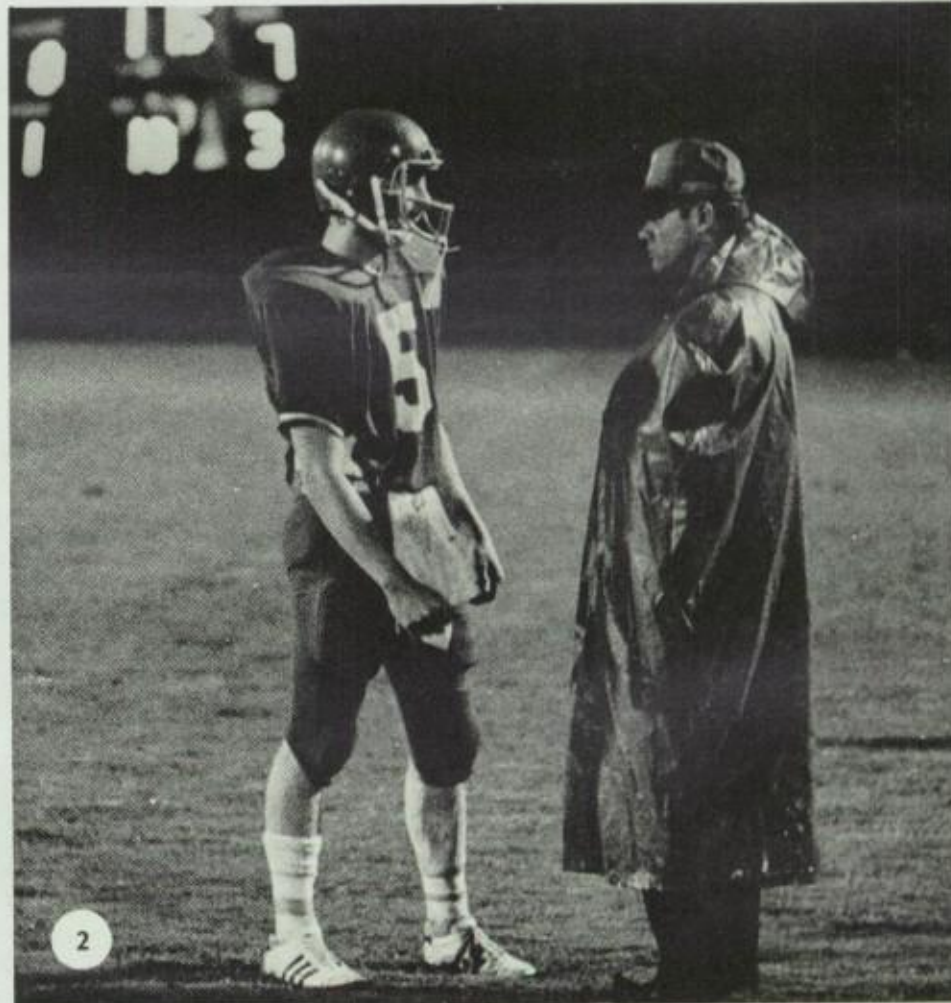

To add insult to the poor offensive showing, the Chargers got only 1 first down in the game. The wet field and slick ball caused 5 Charger fumbles, which was a determining factor in their loss.

Offensively, East got 112 yards from Wesley and 88 from Ross.

East vs Chase

Could East prove that the Trojan bubble was really burst? It took awhile, but East prevailed the winner, 22-7.

Chase came out of the locker room fired up. They surprised the good guys by scoring on their first possession. The PAT was good; the score was 7-0 until the third quarter.

The Cavs were slow at scoring, but a great defense and offense racked points for Big Red.

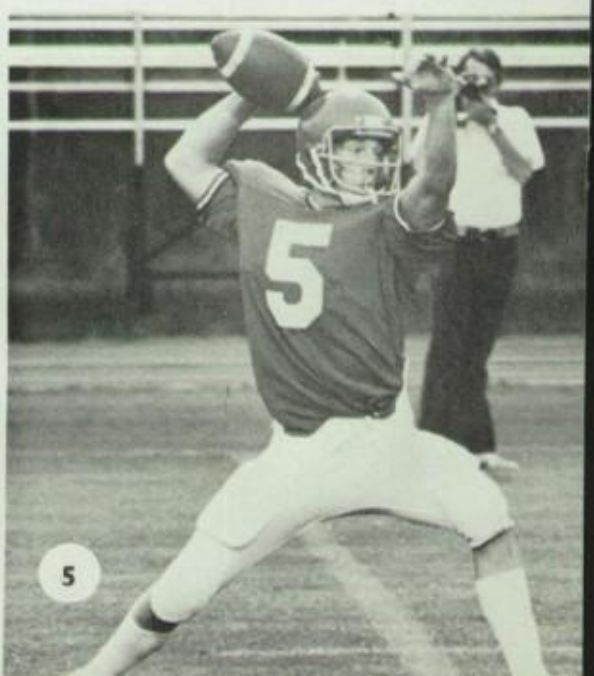

TD's were scored by Dennis Wesley and Heyward Ross. Wesley had 185 yards. East defended the famous words said a year ago by Mr. Hamrick.

East vs South Point

It was the biggest game of the year in the SWC: the upstart Cavaliers looking for an upset over the second rated Red Raiders of South Point. The Cavs lost this one, but not before they gave the visitors the game of their lives.

The Cavaliers drew first blood in the defensive show. Darryl Ledbetter's 27-yard field goal made it 3-0.

The field goal was the only score of the game until late in the third quarter. Jeff Williams ran 80 yards for a South Point TD. The extra point made it 7-3.

East vs North Gaston

East, in sticking with tradition, won its annual Homecoming game 27-7 over North Gaston. The game was the finale for both teams.

In a heavy downpour, the Cavs all but won the game in the first quarter as they put 21 points on the board. Wesley and Surratt had excessive gains in the period.

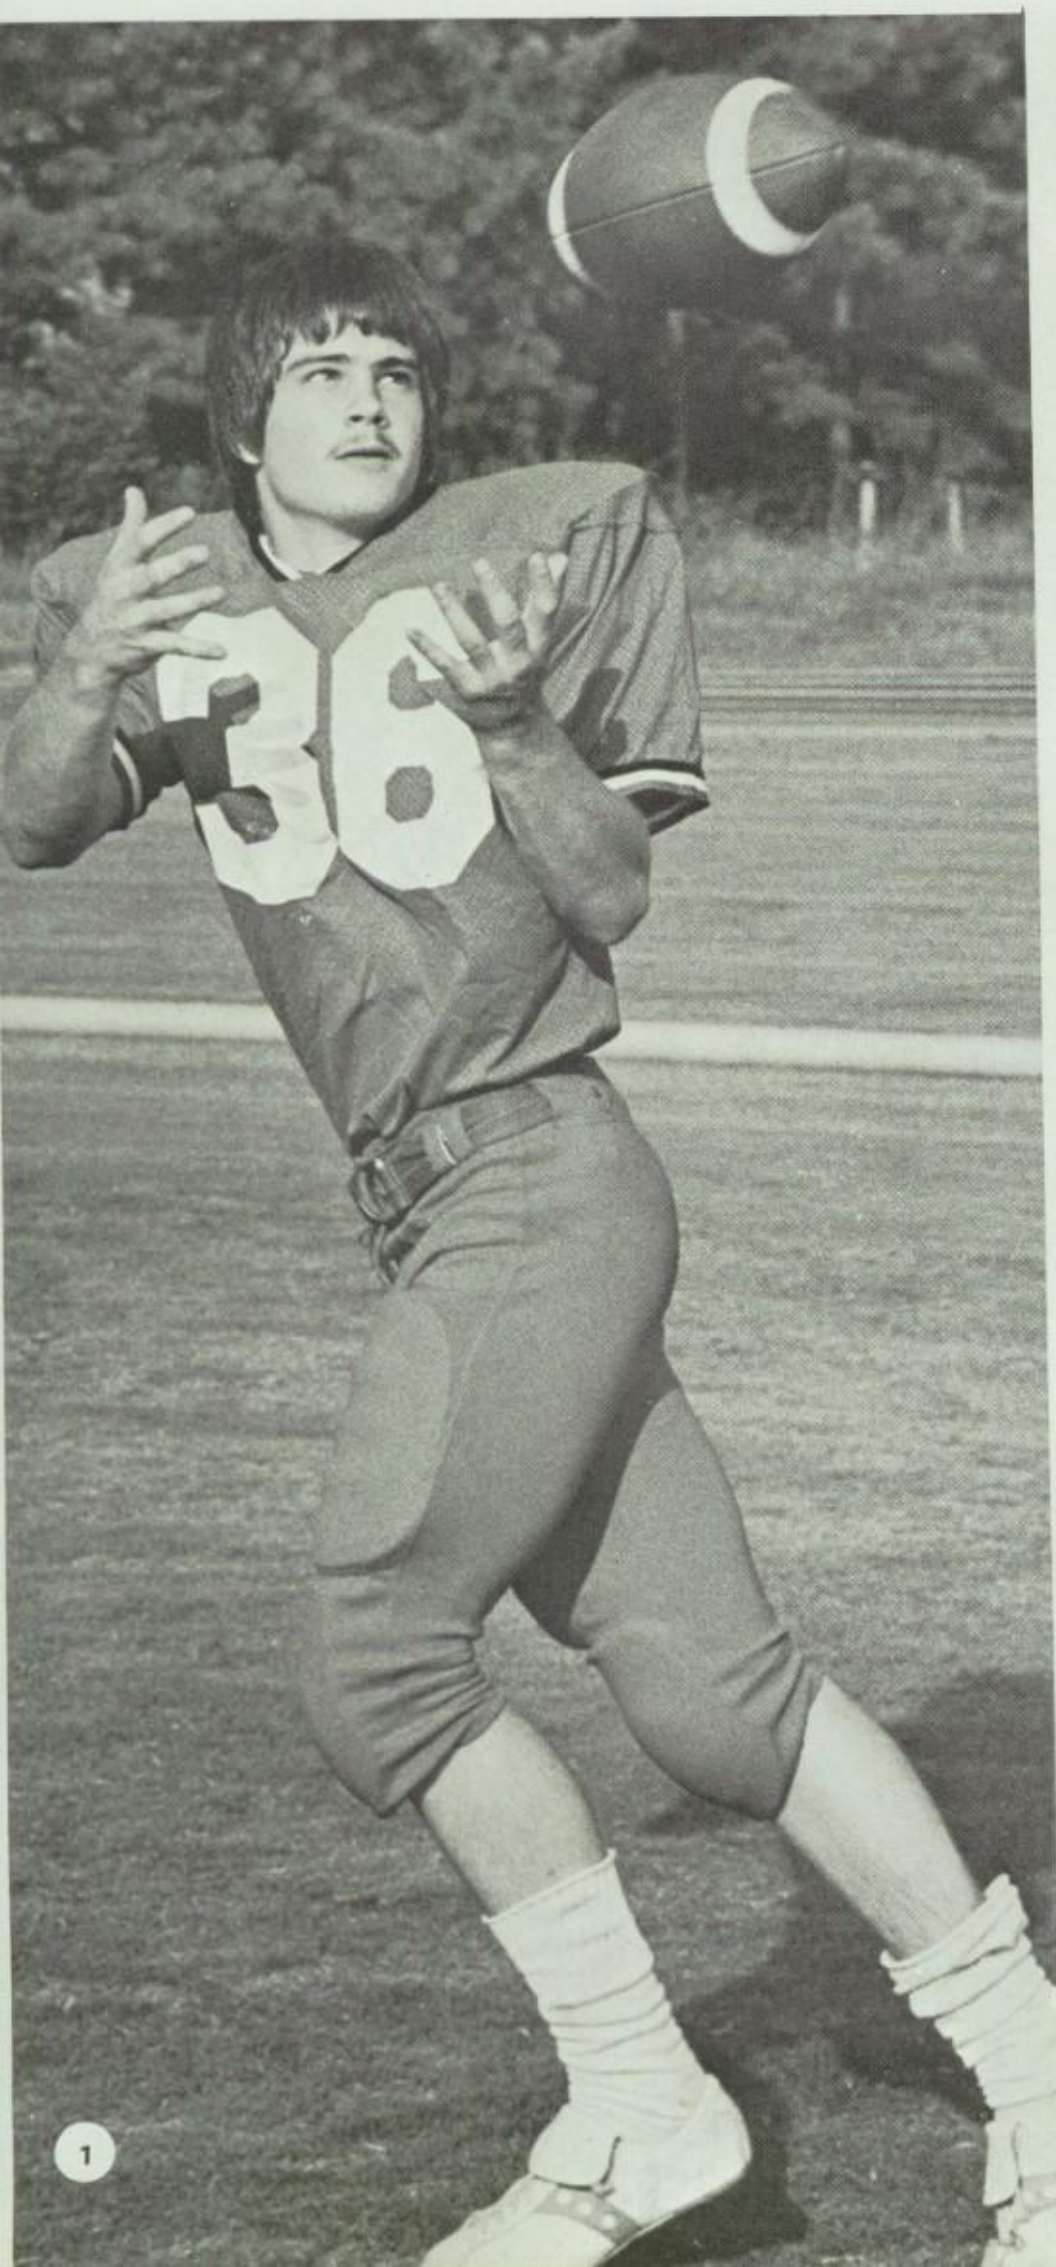

After halftime, the rest of the game was eventless in that neither team could score.

It was an exciting year for the varsity cheerleaders. They attended the Carolina Cheerleading Camp at Lenoir Rhyne College, where they received high achievement awards for most outstanding squad and most spirited squad.

The cheerleaders felt their greatest challenge began when school started in September. They realized they not only had to represent their school, but help East regain the spirit and enthusiasm it once had. Backed by this year's student body, Cavalier spirit reached an all time high.

The cheerleaders also felt their greatest accomplishment was not winning awards, but having the student body realize, "It's great to be a Cavalier!"

When you think of a cheerleader, the first thing that comes to your mind is a squad of girls cheering their team on to victory. This years J.V. team consisted of Freshmen and Sophomore girls. There is much more to being a cheerleader than cheering your team on. You must learn to take the agony of defeat and the tears, and excitement of victory. The team attended Lenior Rhyne cheerleading Camp and did an outstanding job. The girls learned many new things, and met many new friends. This years team has already proven that they could handle the responsibility of leading their class into becoming true, proud Cavaliers. Being a cheerleader is more than tears, smiles, and laughter, it is a challenge and an honor.

As we begin 1980, we greet not only a new year, but also a new decade. A decade which will mean many different things to many people. The Lancer Staff sincerely hopes that you will enjoy the 1980 yearbook, and keep it as a remembrance of a great year.

ADVERTISING

Cone fabrics have meant ease and comfort right from the start... since 1895, when Americans first started living in them.

One of our early offerings was Cone deeptone denim. And soon we became the leading manufacturer of this popular fabric.

Next came corduroy. Once the fabric of kings, it became a favorite among Americans of all ages.

But Cone didn't stop there. In fact, denim and corduroy are just two of the many fabrics that have won acclaim for Cone Mills in its 84-year history.

Today, with 20 modern plants, Cone creates a whole line of quality fabrics for casualwear, sportswear, uniforms and career apparel. Fabrics for home decorating and sewing — even polyurethane foam — are now a part of the Cone family of products.

The almost 13,000 employees of Cone Mills are proud of their part in creating the basic fabrics that are the backbone of American casual fashion... and proud of the satisfaction each fabric gives you.

**This is the kind of place
that'll take you into its arms.
Without trying to smother you.**

Gardner-Webb is a small, church-related, liberal arts college in the foothills of North Carolina's Blue Ridge Mountains.

"Small" in this case means about 1,500 students.

"Church-related" means we're supported by the Baptist churches in North Carolina and that our campus life reflects the values for which these churches stand. It also means we have a moral obligation to be the best educational institution we possibly can.

"Liberal arts" means we hope to provide our students with a background broad enough to get them through life, not merely to get them a job.

And, as an indication of our commitment to the concept of a quality education for every student, we're one of only a handful of liberal arts colleges in the nation which offers all its programs to those with hearing impairments.

So, if our kind of place sounds like your kind of place, we encourage you to write us at Boiling Springs, North Carolina 28017, or give us a call at 704-434-2361. Because that could be the beginning of a beautiful friendship.

Being Editor of the **Lancer** was not an easy job, but it was a job I enjoyed and shall never forget. There are a thousand things required in the preparation of a yearbook, and one person can't do it alone. This is when the editor really appreciates a good advisor and a capable staff. Fortunately, I was blessed with both. I would like to thank **Joy Smith** for always being there when I needed help. I would have never made it without her.

Michelle Wilkins also deserves special recognition. She saw the 1980 **Lancer** was well stocked with pictures, but most of all she was always giving me moral support and just being a friend. Thanks again "Chelly". I wish I had room to thank each member of the staff individually, because they are all very special to me. Let me say to all of you **THANKS!**

I sincerely hope that each member of the student body likes the **Lancer**. It is your yearbook, about you, for you, so enjoy it.

One function of an annual is to capture memories of everything; staff members must be everywhere, paying attention to everything. It was once said, "The true art of memory is the art of attention." Having a really good annual means including everyone, and every possible happening. The **Lancer** Staff has put memories of a whole year into this book and it is unique; for there will never be another 1980. This book is a part of us, and a part of you, too, for without you there would be no memories.

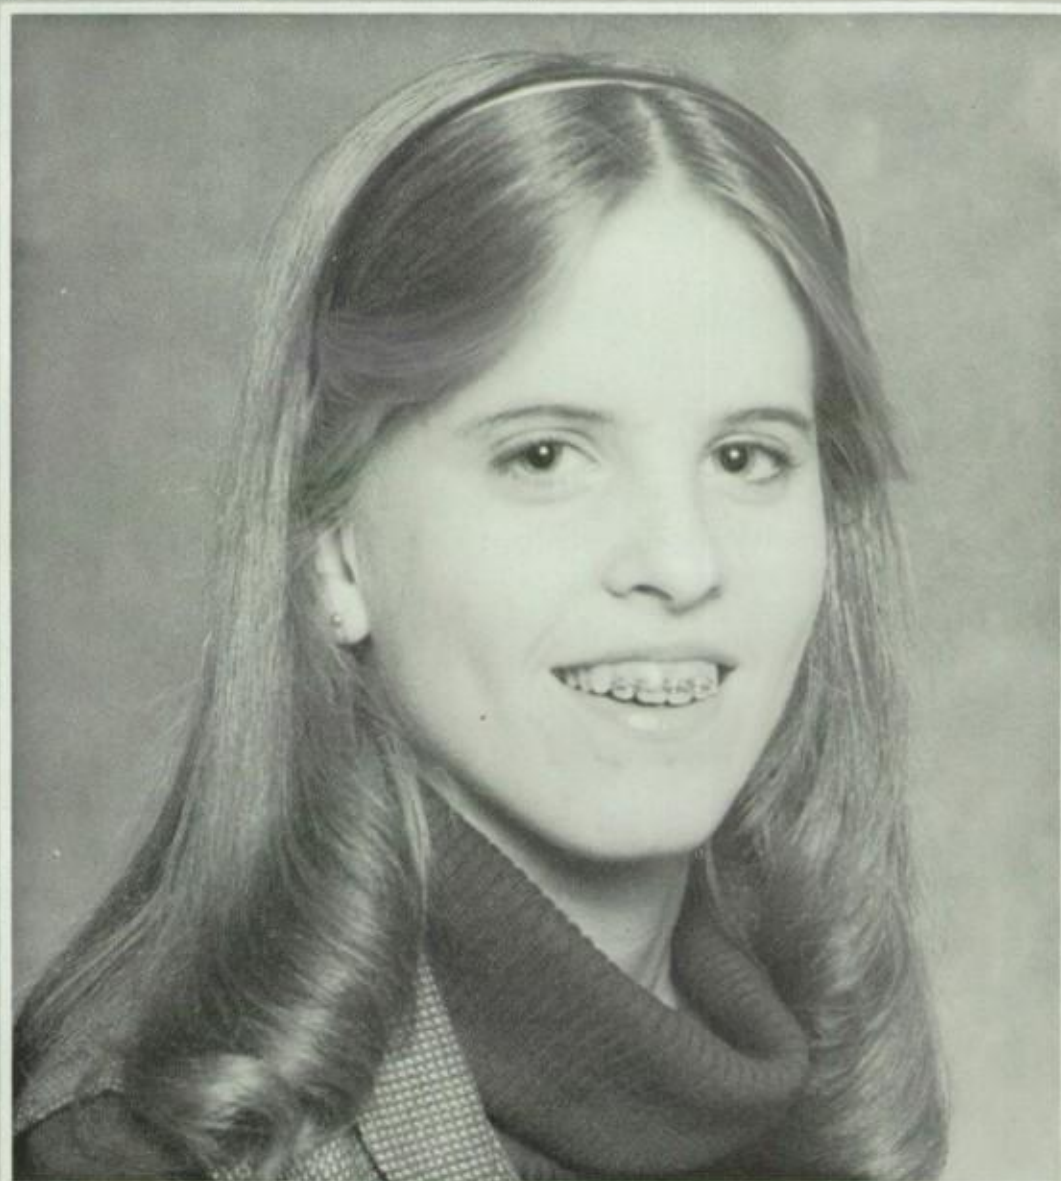

Among all the people to whom the **Lancer** staff owes their deepest thanks, several stand out especially. First, thanks to **Jock Laughterer** and **B.J. Smith** and all the folks at the **Daily Courier** — without their help we would have never had enough pictures. Thank you **Max Gee** and **Bonita Hollifield** for helping with a little bit of everything. Also thanks to the **Cavalier** staff, **Tommy Luckadoo** and **Connie Gettys** for picture contributions. A special thanks is extended to the **Charles Torrence Co.** in Charlotte for their speedy format deliveries. To **Mr. Hamrick** and the **teachers of East**, thank you for helping, understanding and excusing classes and for allowing us opportunities to make up our work.

It took a lot of effort, dedication and determination to prepare this issue of the **Lancer**. I hope each of you treasures these memories.

This year has been an unusual one in that this was the first year freshmen worked on the staff, and we had fourteen out of eighteen staff members who had had no previous yearbook experience. Through a lot of hard work and struggle, they have prepared for the East High student body a remarkably good yearbook, and learned a lot in the process about yearbooks, photography, their school and about you. I hope you'll treasure forever these pages. For a lot of people, these pages represent more than a year that has passed.
